Daily Opportunities To Take Advantage of...

Daily growth is not accidental, it is intentional! Everyday, we choose what we consume and set our mind on (Col. 3:1-2). Whether it's harmful or helpful, we are still in control of what goes in our mind! The same device that you are constantly checking, scrolling, playing, or watching, can also serve as a mirror into your soul. Are you aware that you are able to look in settings and discover just how much "screen-time" you've spent on each application you use? It's a truly humbling experience when you see for the first time how many times a day you pick up, check, or open up apps on your device. Especially once you recognize the amount of time in a day you've consumed on a daily basis (Trust me, it's eye opening to say the least)! If you've never done it, you may need to be prepared for a shock factor!

God's Plan of Salvation

1. Hearing the Word of God (Rom. 10:17; Acts 16:32)
2. Believe what is taught (Mark 16:16; Heb 11:6)
3. Repentance (Acts 2:38; Luke 13:3; Acts 17:30)
4. Confession (Acts 8:37; Rom. 10:9-10)
5. Baptism (1 Peter 3:21; Acts 2:38; Mark 16:16; Rom. 6:3-4)
6. After the above five steps, faithful

In spite of the dangers of the devices we hold in our hand, today's technology can also be utilized as a tool to provide opportunities for spiritual growth. One opportunity that we could be utilizing is listening to doctrinally sound podcasts. There are many preachers in the brotherhood that are creating biblically based podcasts on various topics or themes. For example, some go through specific books of the Bible, while others maybe be topical in nature. I have mentioned that I was utilizing "Today With Jesus" with Brother Robert Hatfield and Dan Winkler in our study of the book of Mark, which we studied on Sunday mornings this year. Like anything else, we need to ensure that who or what we are listening to is teaching or preaching truth, but there are multiple reputable men of God that are producing some really uplifting and educational lessons that we can learn and apply!

Here are a few that I would suggest that have edified me: (Use the podcast app on your device, computer, or Apple TV to search)

- Anything put out by "The Light Network"
- "Today with Jesus" with Robert Hatfield and Dan Winkler
- "Ready to Worship" with Wade Webster
- "Wifey Wednesday's" (Ladies only)
- "Digging Deep in Gods Word" with Cindy Colley (Ladies only)
- "Arrows in our Hand" (For parents of young children)
- "The Citizen of Heaven" with Brother Hal Hammons
- "Excel Still More" with Brother Kris Emerson
