"Let the Lower Lights Be Burning"

"On a dark, stormy, night, when the waves rolled like mountains, and not a star was to be seen, a boat, rocking and plunging, neared the Cleveland harbor. "Are you sure this is Cleveland?" asked the captain, seeing only one light from the light-house. "Quite sure, sir," replied the pilot. "Where are the lower lights?" "Gone out, sir." "Can you make the harbor?" "We must, or perish, sir!" And with a strong hand and a brave heart, the old pilot turned the wheel. But alas, in the dark- ness he missed the channel, and with a crash upon the rocks the boat was shivered, and many a life lost in a watery grave. The Master will take care of the great light-house: let us keep the lower lights burning!"
- D. L. Moody.

Nautically speaking the "lower lights" are lights apart from the lighthouse that illumine the water line. They're the various lights from our windows,

street lamps, and businesses that enable vessels to come into the harbor at night, through a narrow channel of the harbor's mouth.

Spiritually speaking the "lower lights" are lights from individual followers of Christ who allow the light of Christ to shine through them; their words, actions, and deeds. When we, as believers, allow the life changing message of Christ to wane in our lives or behave in a manner that does not glorify Him our flame flickers. If it goes completely unchecked our light can burn out. We don't want to bring disgrace or further the darkness but rather we want to honor the One "who has called us out of darkness into His marvelous light (Col. 1:13)." Today the Almighty God of the universe has called us to let our light shine... to EVANGELIZE, and share the gospel of our Lord and Savior, Jesus Christ! May we do our part to see that the "lower lights" burn brightly providing a lighted path for "some poor, fainting, struggling seaman, [that] we may rescue, we may save"!
